

COVID-19 UPDATE

We are excited to welcome you back to the studio this summer for our reopening on July 20th! We can't wait to get back to doing what we all love. We've missed our students and are thrilled to see you all again! Register for classes for ages 2 1/2-18. Ages are calculated by the dancers age as of Jan. 1st 2021.

Here are our safety protocols and changes we have made to stay safe and to follow the CDC guidelines for our state in order to open.

- * In & Out Door for less traffic upon entrance and exit
- * Parents/family members of dancers will not be permitted to enter the studio (drop off at the door)
- * Temperature check for students at the door
- * Hand sanitizer will be provided upon entering and exiting the studio
- * Masks must worn in the studio lobby & during acrobatics classes (per Gov. Murphy's Executive Order, masks should not be worn if they will inhibit the individual's health when engaging in exercise, this is at the parent's discretion for their child during classes)
- * Disinfecting breaks in between classes and at the end of every night (floors, barres, mats, bathrooms. etc.)
- * Limited class sizes
- * 6 x 6 taped assigned squares for social distancing inside the classrooms
- * Dance shoes must be worn/no bare feet, socks can be worn for acrobatics classes
- * Color coordinated holding areas per age upon entering and/or waiting for a class during disinfecting breaks
- * Dancers will be provided a colored wrist band on their first dance day. Dancers should wear their band every time they come to dance. We will have color coded signs so the students and teachers will know exactly what class the student should be in.
- * Students taking 4 or more classes a week will need a crate/basket labeled with their name and age group for their shoes/equipment. The crates/baskets will be kept at the studio and disinfected at the end of each dance night. Target has crates for \$4 (check Walmart and Amazon as well).
- * Payments should be made online or mail in a check to 1509 Route 38, Hainesport, NJ 08036.

Please email dansations@comcast.net with any questions.
